Emperor Barossa's troops have arrived

Barbarossa has sent his troops from Germany to come and aid us in the fight for the Holy Land. Because of an agreement of the Byzantine empire. Isaac Angelus tried to delay the Germans from going to the Holy Land to

help fight in the third crusade. But luckily Isaac Angelus was not able to delay the Germans much and they were on their way to aid in the fight for the Holy Land. Then after a few days they arrived and they are fighting so

that our great country may be in possession of the Holy Land. Hopefully with the help of the Germans we will be able to defeat Saladin and end this war and stop losing so many lives.
